

ENGLISH

The importance and demand for reading and writing skills continue to increase as language, reading, writing, and communication change and adapt to our technologically based society. Our English degree is created to meet the needs of an ever-growing career market since the University of Minnesota Crookston (UMC) is known as an applied learning campus. The English Bachelor of Science degree at UMC combines both writing skills, to ensure a mastery of the applied skills vital to most employers, as well as the critical study of world literature, to strengthen one's value of multiculturalism and creativity.

Some golden nuggets to consider...

USE YOUR CREATIVITY

Innovative thinking is an asset to any profession, and an English degree encourages creative thinking in its critical analysis of world literature and in the writing process.

AVERAGE SALARY:
\$48,127

***Offered online and onsite**

PROGRAM FEATURES

- Become a seasoned writer: demonstrate proficiency in the intensive writing processes through invention, organization, drafting, revision, and editing for personal and professional writing.
- Read and discuss classic literature: read books, plays, poems, and short stories from around the world and hold course discussions on key concepts within the literature, the era, and the theory surrounding the work.
- Make a difference: A degree in English addresses the importance of diversity. The study of English gives students insight into world cultures and their means of expression throughout history and helps to make students world citizens.
