

ADVANCING SCHOLARSHIP: A PARTNERSHIP WITH THE ACADEMIC SUCCESS CENTER

The mission of the Academic Success Center is to promote the advancement of scholarship in every field. As a part of that mission, the Center offers numerous opportunities for faculty to engage in development opportunities, work with students in a comfortable, informal setting, avail themselves of books and articles on current topics in higher education, and promote a community of scholars.

*Located in 270 Owen Hall
Open 8:00 to 6:00 M-Th and
8:00 to 4:30 Fridays*

In partnership with the Faculty Engagement Group, the Center develops numerous workshops and brown-bag sessions each semester on topics of interest to faculty. Past discussions have included open educational resources, advising workshops, resources for funding research, and assessment. The Faculty Engagement Group welcomes all faculty to discuss faculty development and to propose future topics of discussion.

The Center is also home to the Faculty-in-Residence program, which invites faculty members to spend an office hour each month in the Center, interacting with students and professional academic staff. Comfortable furnishings, academic literature, and fresh k-cup coffee are at your disposal. And of course, the Center offers free high-speed wireless Internet access!
