APPLICATION FOR UNDERGRADUATE CHANGE OF COLLEGE

Use this application to request a change from your current University of Minnesota college or campus to a different undergraduate college or campus at the University.

APPLICATION INFORMATION:

1. *Personal Information*—Fill out this section carefully and please print clearly. If you do not know your ID number, write in your social security number.
2. *Current College Information*—List the University of Minnesota college in which you were last enrolled (CLA, CBS, for example, on the Twin Cities campus; Morris; or CLA or CSE, for example, on the Duluth campus), the term you last attended, and your current major(s).
Change of College—
3. List the college to which you wish to transfer (CLA, CBS, for example, on the Twin Cities campus; Morris; or CLA or CSE, for example, on the Duluth campus).
4. List the major(s) you intend to complete in the new college.
5. Indicate the term and year you want to begin attending the new college. Applications for programs on the Twin Cities campus are not accepted for every term: check the Web (at onestop.umn.edu/onestop/Registration/Changing_Colleges_Within_the_University.html) for application terms and dates.
6. Indicate whether you have a minor or second major from another college that you wish to continue. You **MUST** list any majors or minors you wish to continue on this form, or they will be dropped.
7. If you have attended any post-secondary institution other than the University of Minnesota (all campuses), you must submit an official transcript from each institution (in a signed and sealed envelope with this application) **only if**:
 - a. The record from the institution does not already appear on your University of Minnesota transcript, or
 - b. You have previously transferred classes from an outside institution to the University of Minnesota, Duluth, and you are currently applying to transfer to another University of Minnesota campus. In this case, you must provide official transcripts from outside institutions even if the record appears on your University of Minnesota transcript.
8. If you have classes in progress at another institution, list them and send an official transcript immediately upon completion. **Exclude University of Minnesota classes.**

Application Supplements—

- Carlson School of Management—You must submit an application supplement, available from the One Stop Student Services centers or on the Web (at Carlsonschool.umn.edu).
- College of Design—All undergraduate programs in the College of Design require the submission of an admission application supplement (the form is online at www.cdes.umn.edu/undergrad/admission/transferadmit.html).
- College of Education and Human Development—You must submit an additional application specific to your intended major. Application forms are available for each major at <http://cehd.umn.edu/students/Undergrad/Transfer>.

ACTION:

You will be notified of the college's decision by mail. Please make sure that your mailing address is correct or that your mail will be forwarded. The address on this application will be used to update your official address for University mailings. Subsequent updates to your address will replace the address given here.

This application is valid only for the year and term you indicate. If admitted, you must register in your new program to complete your transfer. Failure to register will nullify your admission, and you will be required to file a new application. If you are transferring from one campus of the University to another campus, and you have already registered for the next term, you must cancel all courses in your old college once you are admitted and register in your new college.

If you wish to withdraw this application, you must notify the Registrar's office on the campus to which you have applied. If you do not, you will not be able to continue in your current college.

Some students choose to apply to an additional college as a second choice. Talk to your adviser about whether he or she would recommend you do so. If you do apply to more than one college, you will need to submit a separate form for each, and you will receive separate decision letters from each college. If you are accepted to both colleges, you will be contacted in order to confirm that you are admitted to your first choice college.

Applications to the following programs are pooled: Dental Hygiene; Medical Technology; Mortuary Science; Nursing; Pharmacy; Carlson School; College of Design; and Radiation Therapy and Clinical Laboratory Science in the College of Continuing Education. Action will be taken only after the College Admission Committee has reviewed *all* applications. Admission decisions for all programs will usually be made 4-6 weeks after the deadline for the term.
