Financial Aid & Scholarships

Financial aid is available for eligible online degree seeking students. [www.umcrookston.edu/online](http://www.umcrookston.edu/online)

1) Some partnering 2-year institutions may provide consortium agreements. That is your host 2-year school and their financial aid office will assist you in identifying financial documentation to concurrently enroll at your current 2-year school and the University of Minnesota Crookston online. Check with your FA office for more details where applicable.

2) Some businesses and organizations too will compensate their employees with tuition reimbursement. Check with your local human resource representative for more details.

3) Berland Grant
   Out of school for 5 years
   No other Financial Aid
   Must not have earned a B.S.

Features of UMC online degrees

• University of Minnesota undergraduate degree; transcripts and diploma do **not** reflect “online”. Earn your **University of Minnesota** degree entirely online, complete your undergraduate degree without leaving your family or work.

• **Transfer friendly;** UMC accepts all regionally accredited institutions and their transfer of credit, the **free pre evaluation** can better identify what will transfer for core curriculum, how many credits will remain and how quickly you may get started.

• **No out of state tuition;** one rate $436.54/credit
  
  $391.54/credit + $45/credit fee = $436.54

• **14 undergraduate degrees online; entirely online**

• Classes run **Fall, Spring and Summer term;** 2-16 week semesters and 1-8 week condensed

• **Industry/Workforce partners;** Toro, Graco, Medtronic, Arctic Cat, John Deere, LubeTech, TEAM Industries, Steinwall & Company, Creative Memories, Central Boiler, Marvin Windows & Doors, Polaris Ind. Inc.
Assessment & Work Experience

When inquiring about one of our online degrees and receiving transfer of credits, the credits that may transfer are contingent on their accreditation affiliation; regionally accredited. **Submit all previous college credit, no matter how old.** We don’t want you to duplicate the class.

**Testing out: College-Level Examination Program (CLEP) Policy**
The University of Minnesota, Crookston (UMC) offers the opportunity to submit the results of CLEP for credit in most of the Subject Examinations.

Prior Learning and/or work experience may be considered and assessed however proof of completion, certification and authenticity will be requested and is not guaranteed.
Degree Completion & Graduation

All baccalaureate degree programs at the U of M Crookston lead to a bachelor of science or bachelor in an applied field degree.

- require a minimum of 120 total credits to permit graduation.
- require a minimum of 40 credits of liberal education and 3 credits of technology
- require 40 upper division credits.

The University of Minnesota Crookston is accredited by the Higher Learning Commission, North Central Association. Our program is comprised of a management core, a technological emphasis, and a job-specific component customized to fit your needs. Equipped with the latest in technical knowledge and skills, our graduates make immediate impacts in the manufacturing industry.
